

INCOME DISCLAIMER

The examples showed at this power point are hypothetical, are examples to explain our compensation plan. These hypothetical examples are not representatives of the income. These figures should not be considered as guarantees of actual earnings or profits.

All depends of the successful sales efforts, hard work, diligence and leadership. Your success always depends on how effectively you work your qualities. The ability to determine the average or actual income has not yet determined.

As soon we determine that we will update that information in our website.
